

EL PASO ZOO & BOTANICAL GARDENS WELCOMES NEWBORN GIRAFFE CALF

The El Paso Zoo & Botanical Gardens is thrilled to announce the birth of a six-foot-tall baby giraffe, born to mother Gigi and father Juma.

This exciting arrival is the second giraffe calf born at the Zoo, underscoring the Zoo's commitment to wildlife conservation.

Currently, the calf is being cared for in a private, off-exhibit area.

Announcements regarding public viewing opportunities will be shared through the Zoo's website and social media channels.
